La Vergne Senior Center Newsletter

Thank you Bridgestone

Wow what a way to start off the New Year with a \$3,000 donation from Bridgestone. We really appreciate Shelley Morton who has been working with us over the past couple of months to get this for us. She took it before their board and got it approved so on Jan. 16, 2020 she came to the Center and gave us the check. We truly appreciate the support of Bridgestone with this generous donation and we will definitely put it to good use.

Don't forget to mark on your calendar the Valentine Dance which will be on Friday the 14th 4pm to 7:30pm here at the Center. Get your tickets now.

Wii Bowling is back in swing with a lot of good bowling going on. Three weeks in and already a lead change and Congratulations to our first 300 bowler...Linda Tomlin and the big question now will be who will be next. There has already been a few more bowlers who have come very close to obtaining that goal but the main thing is that we all have a really fun time bowling against each other with a few friendly jabs being thrown out, just some good old competition going on.

January 23 we had our first Bean Dinner Fundraiser that was open to the public and we had it at a time where people would be able to come after they got off work. It turned out to be a big success so that means we will probably do another one. Thank you to all those who showed up to support our Center and in turn got a good dinner with some delicious desserts. And thank you to all the volunteers that came out to help us, we can always count on you. Thanks again!
