

La Vergne

TENNESSEE

Welcome to the City of La Vergne, a booming community just 20 minutes southeast of Nashville. La Vergne is a unique, progressive community anchored in small town charm. As our region is currently experiencing explosive growth, the city's population has doubled, making it one of the hottest places to live in Middle Tennessee and one of the largest cities in the state. In addition, our thriving workforce more than doubles our daily population thanks to the area's many successful businesses and industries.

The City of La Vergne is very business friendly. Our goal is to make the planning process easy and completed in a timely matter. We pride ourselves on easy access to city officials and decision makers and partner with you throughout every step of the process. We are also committed to help your business grow and flourish here in La Vergne.

Ranked 5th nationally in job growth by the U.S. Bureau of Labor, La Vergne has the region's largest industrial park and is a booming industrial area. The city itself as also named by the Tennessee Center for Policy Research as the 6th Most Business-Friendly City in the state

We sincerely hope that you will consider doing business in La Vergne. Feel free to reach out for more information and for assistance with locating, developing and growing your business.
